## Responsibilities:

- General upkeep and maintenance of grounds and road networks throughout the year.
- Operating, routine maintenance, and repairs of tools, machinery, and equipment.
- Participate in forestry and environmental management practices and planning.
- Assist other staff members on projects as required including construction, building renovations, and program development.
- Participate in continued property and guest experience improvements.
- Willingness to fill other roles as needed on a temporary basis such as Office Admin, Customer Service, and Cleaning, when the need arises.

## **Requirements:**

- Able to adapt as conditions or situations change.
- Guest oriented with a sincere, helpful, caring, and friendly personality.
- Pays precise attention to detail, order, and cleanliness.
- Be proactive with identifying and solving potential problems before they arise.
- Strong communication skills and professionalism.
- Experienced with a wide manner of hand and power tools.
- Valid G class drivers license and have their own reliable transportation.
- General physical fitness and willingness to work in all weather conditions at all times of the year.
- Is flexible with their schedule, will be able to work weekdays, weekends and holidays and well as be available in the event of emergencies requiring work outside of regular business hours.
- Respect for nature and a love of the outdoors.

## **Assets:**

- Experience with driving Snowmobiles, ATV's, and other off road vehicles.
- Experience operating heavy equipment, such as tractors, plow trucks, excavators etc.
- Experience with residential electrical, carpentry, plumbing, and/or mechanical skills.
- Experience with chainsaw operation and safety.
- Experience with customer service.

Note: If you are interested in this position but lack some of the requirements, please apply anyway. For the right candidate we would be willing to train and allow you to build those skills.
